

## Fully Recovered Train Mishap Patient Discharged from Fortis Hospital, Kalyan

**Kalyan, April 4th, 2016:** 18yr old Siddhant Bipin, a train mishap victim was discharged from Fortis Hospital, Kalyan, on Saturday, 2<sup>nd</sup> April. Resident of Ambarnath, Siddhant, met with a near-fatal accident and sustained multiple injuries to his Brain, Lung, Liver, right leg and collar bone. He was admitted to hospital as a case of Polytrauma, under the care of **Dr Ashok Borisa, Laparoscopic surgeon, Fortis Hospital, Kalyan.**

The investigations and scan results revealed multiple internal and external injuries. Multidisciplinary team of doctors was swiftly mobilized for his treatment. *"The head injury had caused bleeding inside the patient's brain; the Neurology Team carefully monitored his condition and provided medical aid. The patient responded positively to the treatment; and his injuries could be managed with medical management. His condition improved without requirement of invasive surgery. The patient's condition was monitored by the team of doctors continuously for possible complications,"* said **Dr Ashok Borisa.** However, the fracture in the patient's right leg had to be fixed with a surgery, which was conducted by **Dr Sachin Bhonsle, Senior Consultant Orthopaedic Surgeon at Fortis Hospital.**

After two weeks' stay at Fortis Hospital, Siddhant's condition improved significantly, and he was discharged on 2<sup>nd</sup> April. With all internal and external injuries healed, the doctors expect him to walk normally soon.
