

## Health talks held at Home Science College

### DP CORRESPONDENT

Chandigarh

On the occasion of National Dietetics Day, Indian Dietetics Association (IDA), Chandigarh Chapter and Fortis Hospital Mohali celebrated third National Dietetics day on Wednesday at Government Home Science College in Sector 10.

Dr Parvinder Chawla, (Internal Medicine) Fortis gave an inaugural address on healthy lifestyle management to stalwarts in

the field of nutrition who dedicatedly participated in the celebrations. Sonia Gandhi, (Chief Dietician) at Fortis Hospital addressed students about patient management: dietician and doctor a collective responsibility.

Moreover, celebration was followed by the inauguration of a health camp where free health check-up and diet consultation was provided to all the students, faculty and staff of the college.
