Rail mishap victims discharged from Fortis Hospital, Kalyan post successful treatment

Kalyan, Mumbai, September 1st, 2017: Earlier in the past month, a boulder crashed into a passenger train near Lonavala, ripping through the roof and landing inside a coach injuring three passengers. Hasansaab Belavanki, a 59yr old bank clerk from Hubli, and his son, Asif sustained grave injuries and were admitted to a civic hospital in Kalyan. They were later shifted to Fortis Hospital, Kalyan for specialized treatment.

The victims were treated by **Dr Ashok Borisa, G.I. Laparoscopic Surgeon** and **Dr Swapnil Zambre, Joint Replacement & Arthroscopy Surgeon at Fortis Hospital, Kalyan**. The 59yr was treated for Clavicle Fracture(broken collarbones) using Laser Stitch-less Surgery and the 25yr underwent Exploratory Laparotomy with Splenectomy to address his Spleen injury.

Speaking on the discharge of the two patients, **Dr. Sameer Kulkarni, Facility Director, Fortis Hospital, Kalyan**, said, *“The patients had suffered Multiple injuries during the unfortunate accident; they needed Quaternary(one step ahead of Tertiary care) services, which was duly provided. The Multidisciplinary team of super specialist doctors along with advanced ICU Care nurses provided round the clock care to the patients. Quick initial treatment and quick decision making by the railway doctors played a major role in avoiding any unnecessarily damages”*.

The patients were discharged in coordination with the Railway authorities, and have been advised to undergo regular screenings and return for follow-up.
